S.T. COLLEGE
of Education

Recognized By NCTE (ERC), Bhubaneswar

Affiliated to Maulana Mazharul Haque Arabic & Persian University & Bihar School Examination Board, Patna

Welcome to our College

Any Progressive nation always demands a high level of knowledge - based society. To achieve it, enhanced, educated, trained, skilled and research prone professionals are constantly needed. Considering this some visionaries of educational arena engaged in various activities of social development have taken the oath to set up and flourish a Teacher Training College in a corner of Bihar, Patna to extend the scope of teachers training to the unreached.

B.Ed. and D.El.Ed. degrees are the pillars and compulsory tools to impact quality education and innovative teaching techniques. It is such a venture with merit that can bring a radical change and outcome in community ,society and nation as a whole. On the eve of a new century, only the educated younger generation can usher positive contribution towards sustainable development of individuals and nation as well.

S.T. College of Education (STCE) is bound to tread towards this goal with its whole hearted effort and collective co-operation of all associated with it.

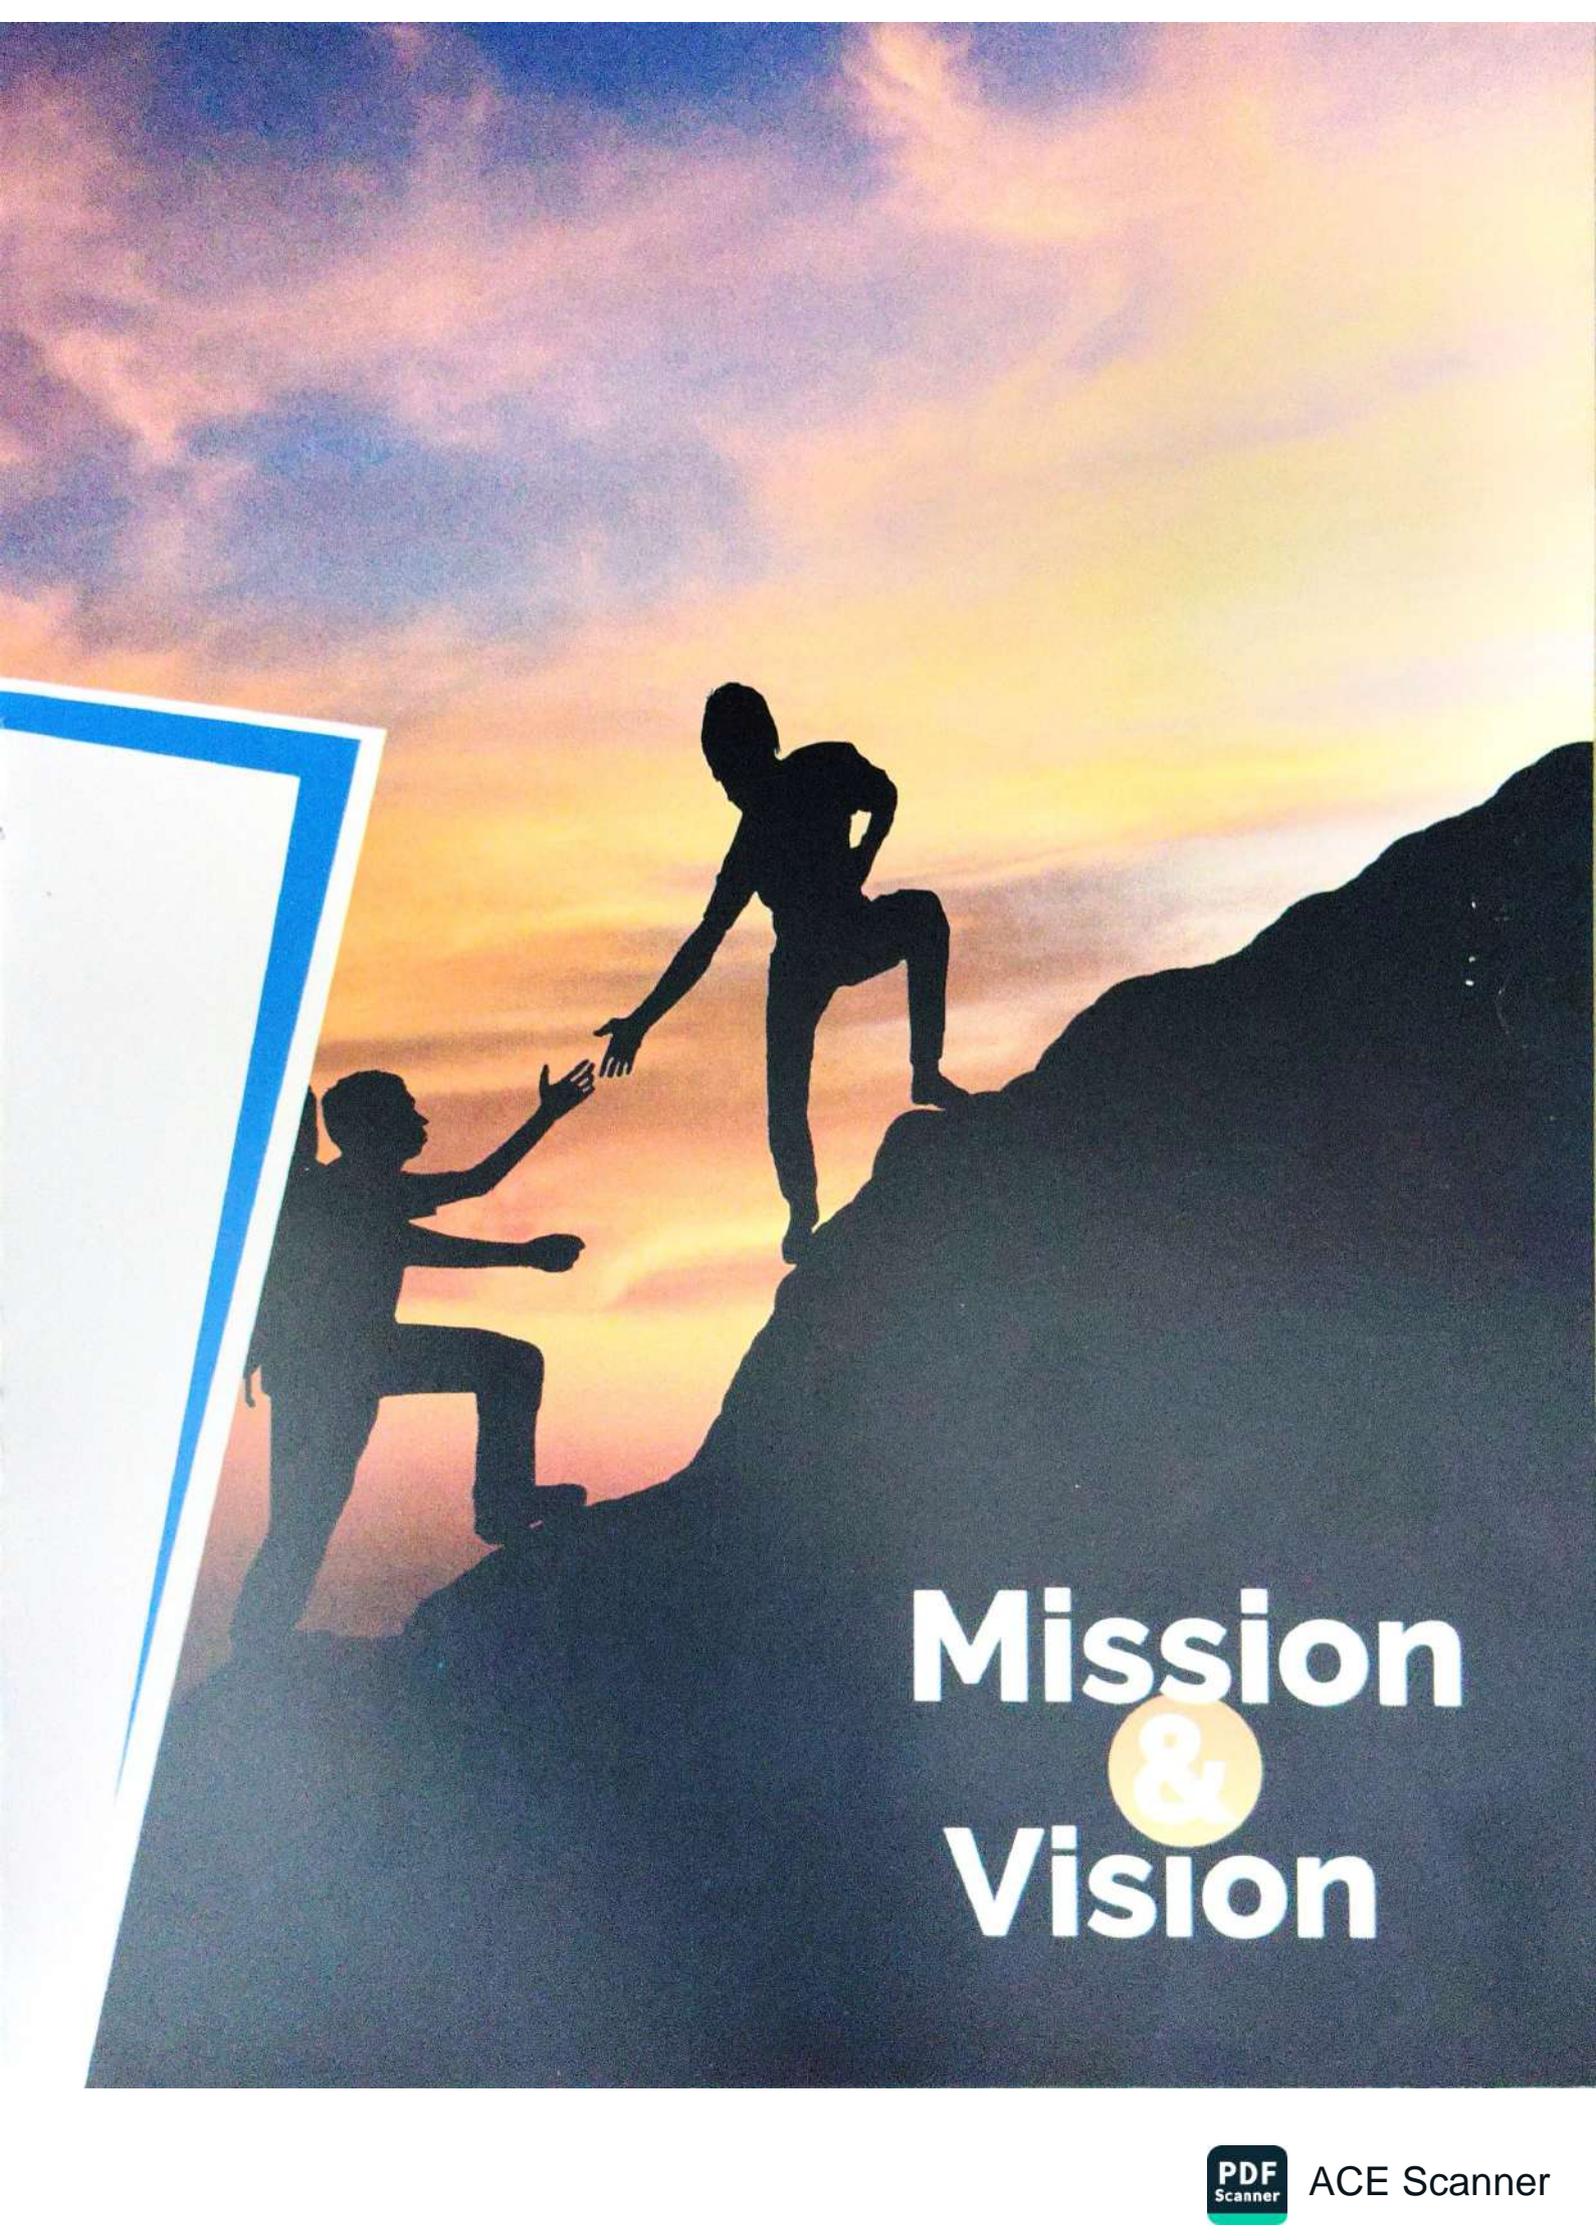

Mission

S.T. College of Education (STCE) is one of the best Teacher Training College in Bihar that is committed to empower the students with the wings of knowledge which will give them a fillip to attain the holistic development in their life, along with an effective contribution to nation building.

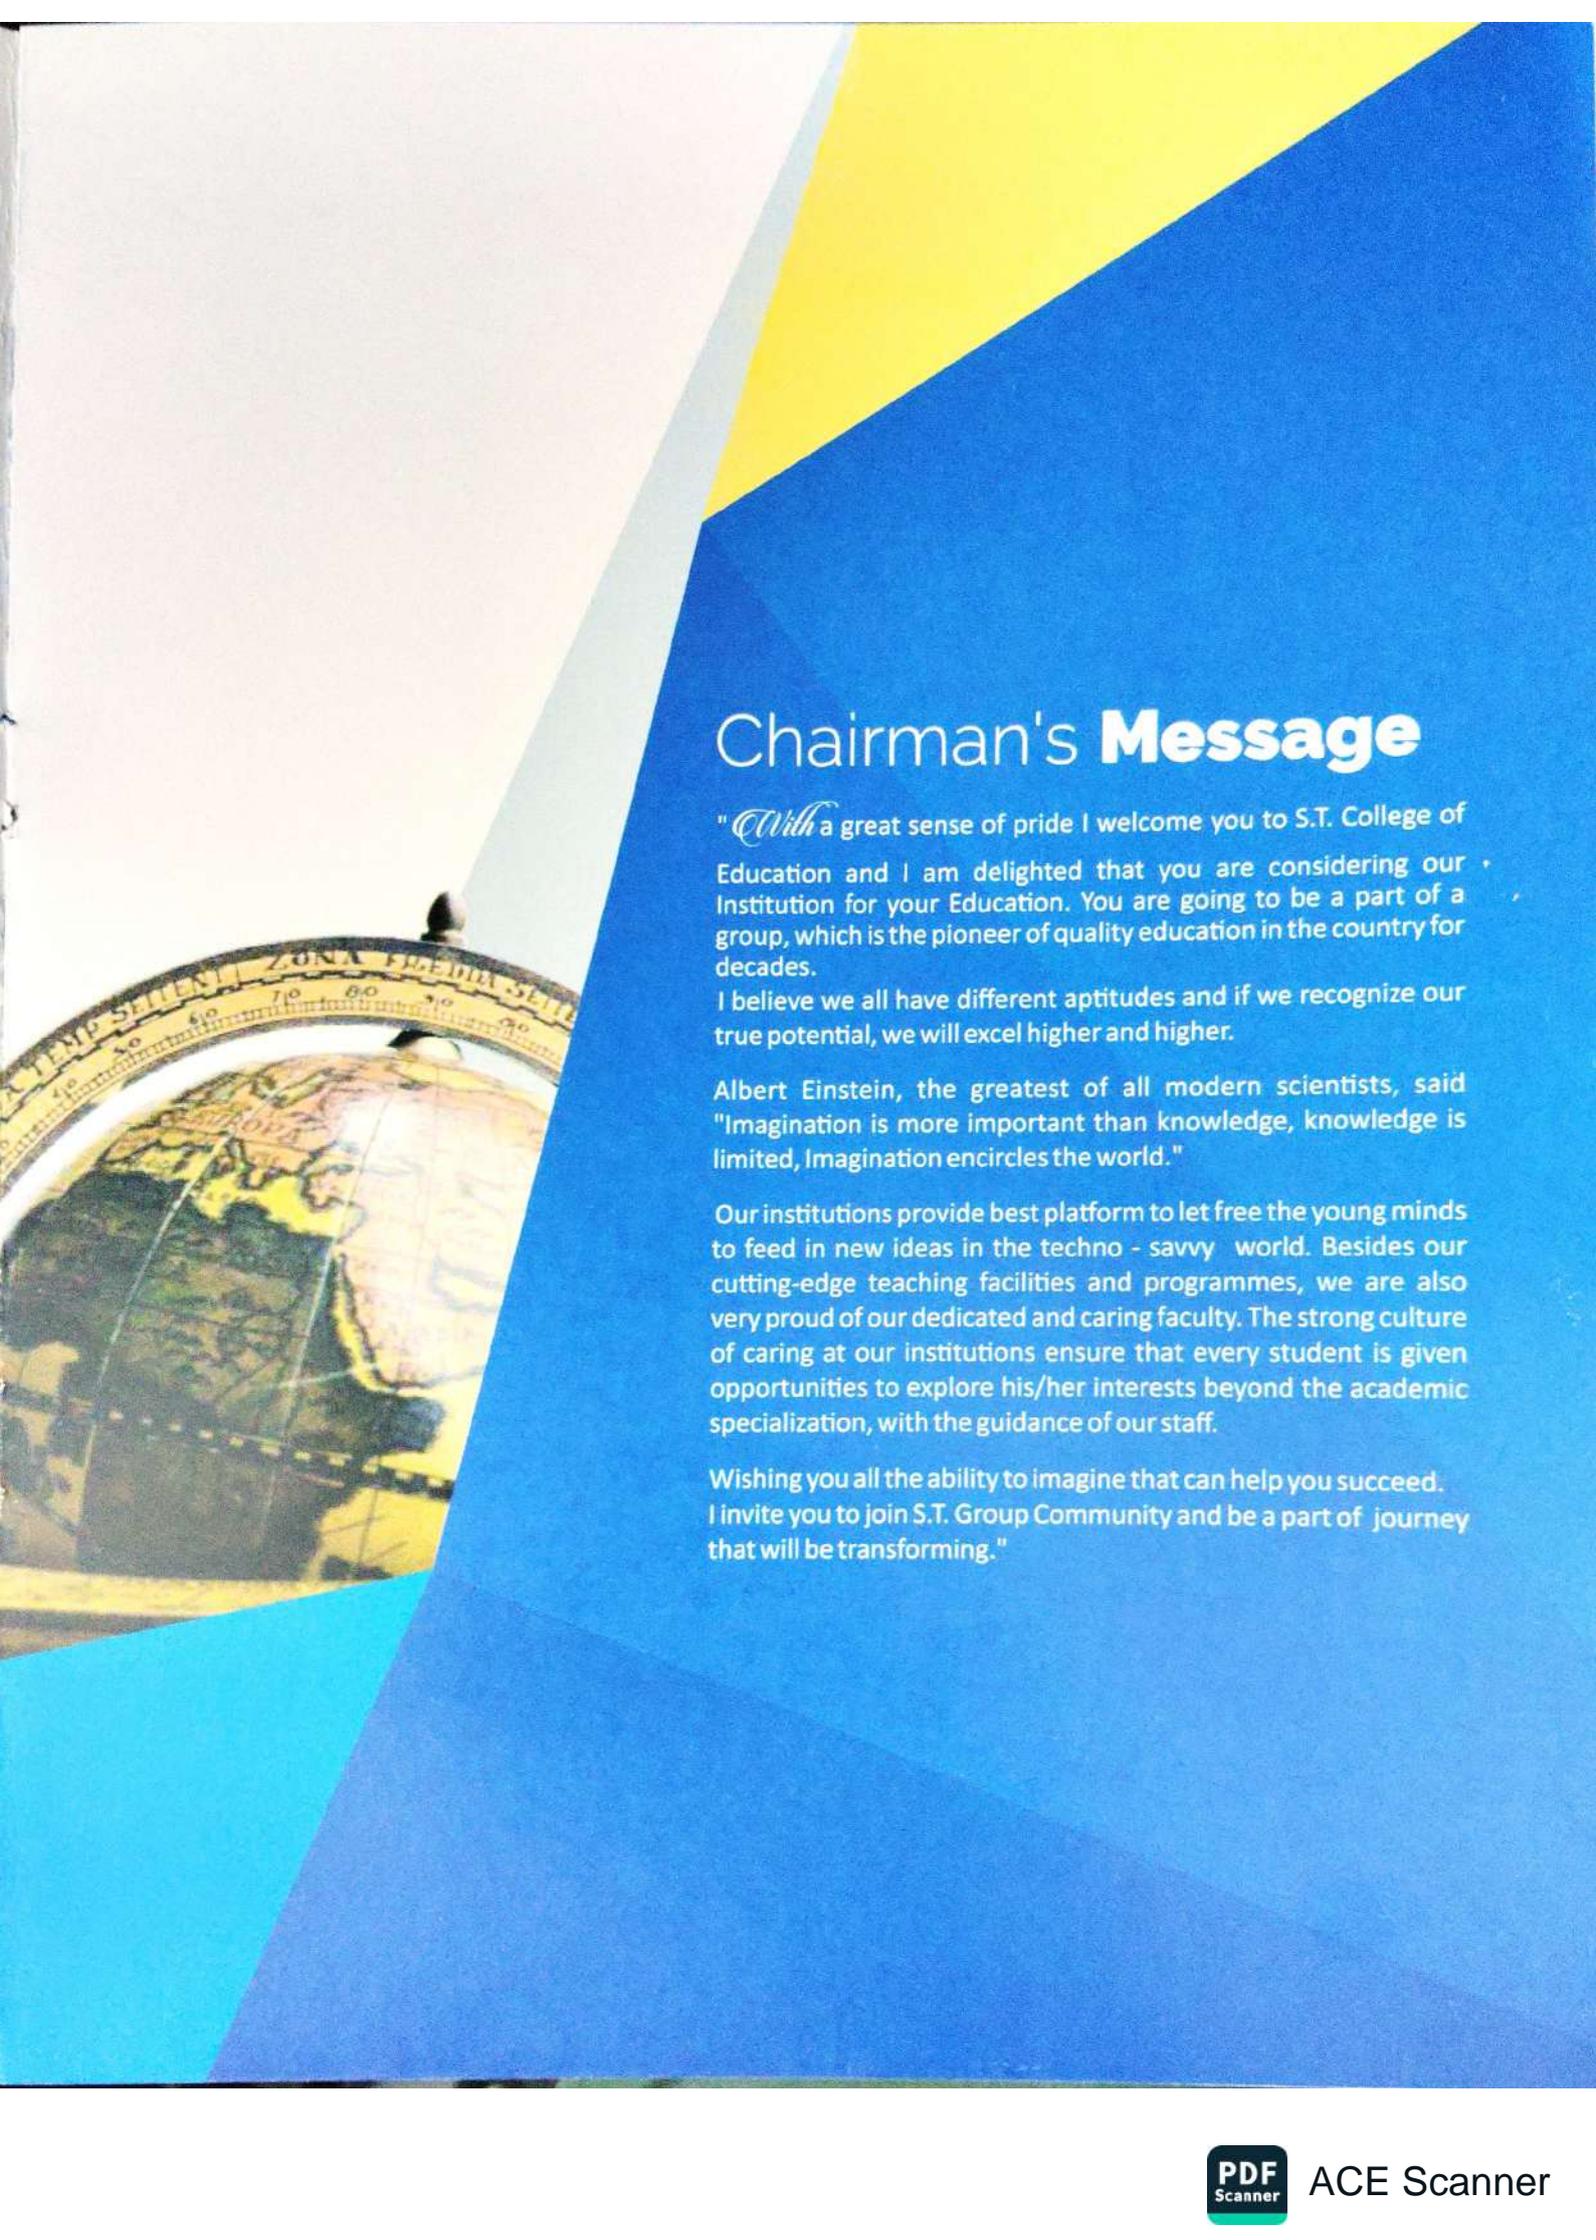

Vision

The Vision of the S.T. College of Education is to provide quality education which will open up new vistas of development to enrolled students, to make self reliance, prosperous, happy and strong nation by promoting creativity among the students in both the theoretical and practical aspects of teaching.

“ Arise, Awake and
Stop not till the
Goal is reached. ”
S. Vivekananda

Mission & Vision

Chairman's **Message**

"*With* a great sense of pride I welcome you to S.T. College of Education and I am delighted that you are considering our Institution for your Education. You are going to be a part of a group, which is the pioneer of quality education in the country for decades.

I believe we all have different aptitudes and if we recognize our true potential, we will excel higher and higher.

Albert Einstein, the greatest of all modern scientists, said "Imagination is more important than knowledge, knowledge is limited, Imagination encircles the world."

Our institutions provide best platform to let free the young minds to feed in new ideas in the techno - savvy world. Besides our cutting-edge teaching facilities and programmes, we are also very proud of our dedicated and caring faculty. The strong culture of caring at our institutions ensure that every student is given opportunities to explore his/her interests beyond the academic specialization, with the guidance of our staff.

Wishing you all the ability to imagine that can help you succeed. I invite you to join S.T. Group Community and be a part of journey that will be transforming."

D.El.Ed.

Diploma in Elementary Education

Approved by N.C.T.E. & Affiliated to

Bihar School Examination Board

Task and assignment that run through all the courses.

School Internship

Courses on enhancing Professional capacities.

COURSE CURRICULUM

The D.El.Ed. course is designed to integrate the study of subject knowledge, human development, Pedagogical knowledge and communication skills. The programme comprises three broad curricular areas: Perspectives in Education, Curriculum and Pedagogic Studies, and Engagement with the Field. Transaction of the course is done using a variety of approaches, such as case studies, discussion on reflective journals, observations of children, and interactions with the community in multiple socio-cultural environments, Information and communication Technology (ICT), gender, yoga education, and disability/inclusive education forms and integral part of the D.El.Ed. curriculum.

THEORY COURSES:

(A) Perspectives in Education : Perspective in Education includes courses in the study of childhood, child development and adolescence, contemporary India and education, Philosophical and sociological perspectives in Education, theoretical foundations of knowledge and curriculum, teaching and learning, gender in the context of school and society, and inclusive Education.

(B) Curriculum and Pedagogic Studies : Courses in curriculum and pedagogic

Studies include aspects of language across the curriculum and communication, understanding of a discipline, social history of a school subject and its pedagogical foundations, with a focus on the learner: and a course on the theoretical perspectives on assessment for learning.

SCHOOL INTERNSHIP :

School internship would be a part of the broad curricular area of 'Engagement with the field' and shall be designed to lead to development of a broader repertoire of perspectives, professional capacities, teacher sensibilities and skills. Student-teachers shall be equipped to cater to diverse needs of learners in schools. Students are to be actively engaged in teaching for 4 weeks in the first year of the course and for 16 weeks in the final year of the course, besides practice teaching, an initial phase of one week for observing a regular classroom with a regular teacher and would also include peer observations, teacher observations and faculty observations of practice lessons.

ENGAGEMENT WITH THE FIELD:

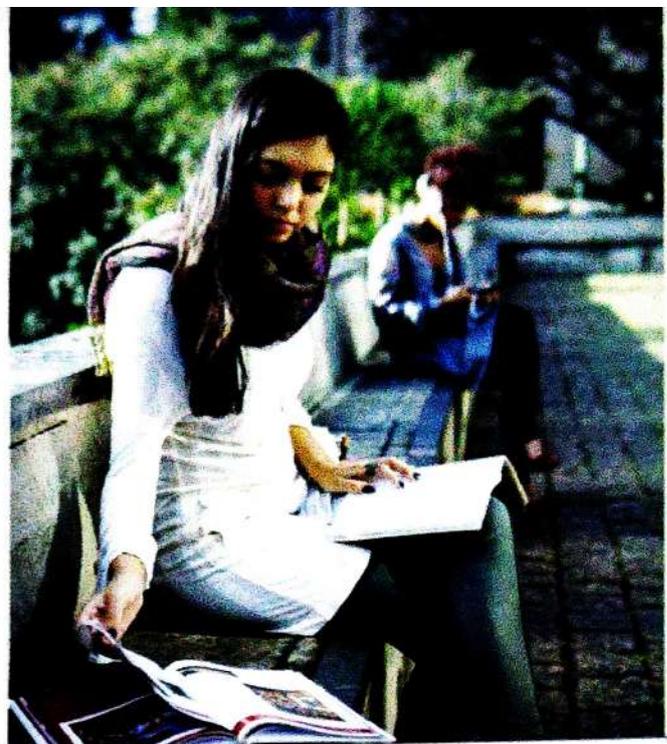

The D.El.Ed. programme provides for a sustained engagement with the self, the child, community and school, at different levels and through establishing close connections between different curricular areas. This curricular area would serve as an important link between the above two broad curricular areas through its three components.

These tasks and projects would help in substantiating perspectives and theoretical frameworks studies in a teacher education classroom with field based experience.

INFRA STRUCTURAL FACILITIES

LIBRARY:

Quality of a library is defined by its resources and atmosphere. The institute's library provides best of both these factors. To facilitate the students in their quest for knowledge. The library provides a wealth of knowledge resources by stocking large number of reference books, national journals and magazines.

HOSTEL:

College has separate hostel for Boys and Girls. Separate wardens for each hostel are appointed that take care of the students in best possible way. The hostels have excellent standard of living with round the clock availability of basic facility. The Hostel rooms are spacious, well ventilated and well organized. The Hostel mess is provided with water purifier, water coolers and other necessary facilities. Special care is taken in preparation of food under hygienic conditions in hostel mess. Facilities like T.V. Newspaper, indoor Games (Carrom Board, Chess, Table Tennis) are also available in Hostel.

PLAYGROUND:

There is a large playground for games and sports. The institutes has various facilities to pursue a wide range of sporting and cultural activities in campus.

TRANSPORT:

The college has its own fleet of buses to cater to the transportation needs of its students, staff members and visiting guests. Transport is available to the students and staff for commuting not only from various parts of the city but also from the suburbs to the institute campus and back.

Other Facilities

FACULTY:

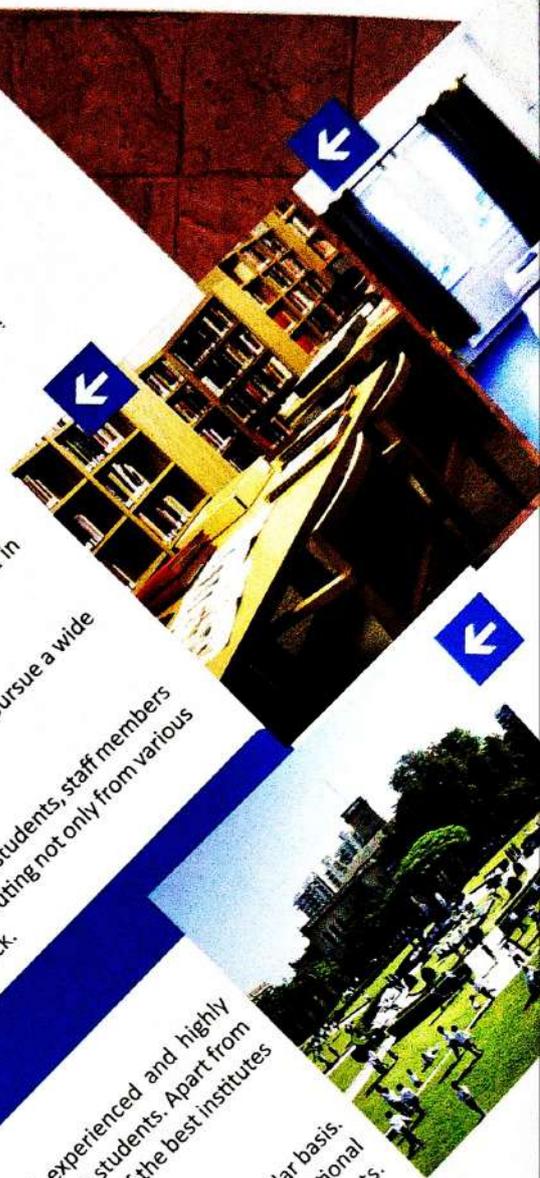

Teaching faculty of the college is highly qualified, well experienced and highly devoted to their work. The faculty has the attitude to help the students. Apart from this, the college also has some senior academicians from some of the best institutes in India as our visiting faculty.

INSTITUTIONAL VISITS:

We arrange institutional visits for students to renowned industries on regular basis. The main objective behind these visits is to explain the working of institutional equipments in running conditions and the work environment that exists. Institutional visits take place in one or more semester.

REGULAR WORKSHOPS ON TEACHING SKILLS AND EDUCATION TECHNOLOGY

The STCE organises workshops for enhancement of teaching skills of future nation builders. The resource persons coming to college are experts of respective fields and have lot to share with our students.

WI-FI CAMPUS:

Today's students will be among the first generation of Indians to work in a completely connected environment. We prepare them for the digital era with access to high speed internet across the campus through Wi-Fi, in addition to traditional wired internet, intranet and mail-access.

Lab FACILITIES

SCIENCE & MATHEMATICS

Science is not only knowledge but also an art. This art is explored, experimented & practiced in Science Resource Centre. Science cannot be taught effectively without testing, Experimentation & demonstration of the scientific facts, Science Resource Centre is the place & means with the help of which all these necessary activities can be performed smoothly & effectively. Math's Resource Centre is the place where students can learn explore mathematical concept & verify mathematical facts & theories through variety of activities using different materials. These activities may be carried out by teachers or the students themselves to explore, to learn, to stimulate interest & develop favorable attitude towards Mathematics. These aims are fulfilled by Science models & charts are prepared by the students and extension lectures are delivered by educationists.

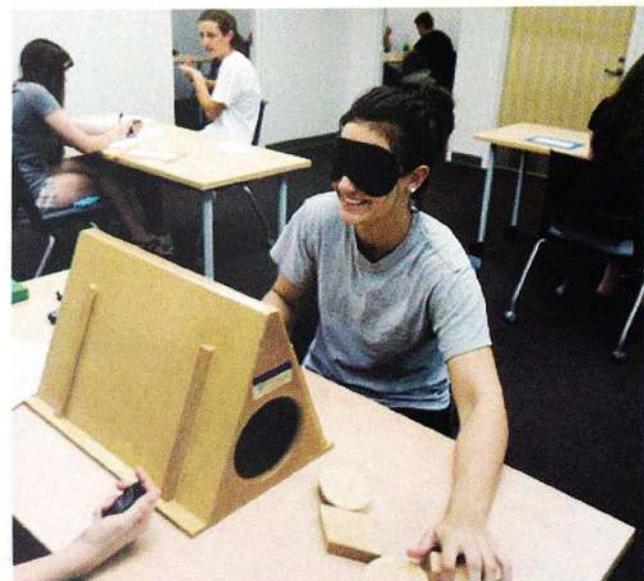

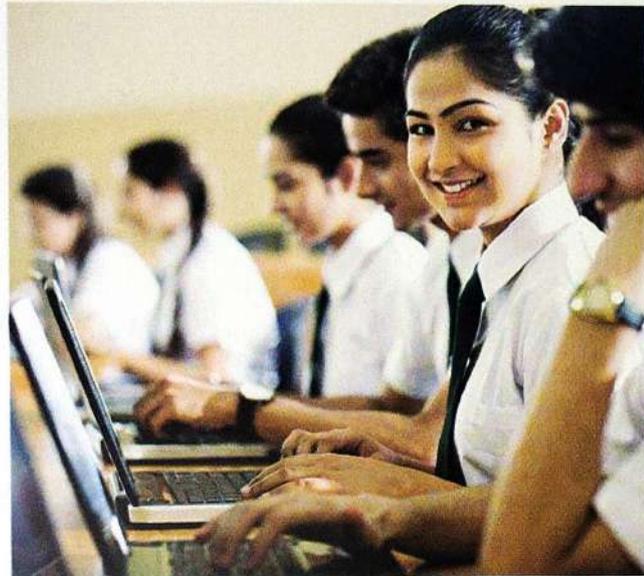

PSYCHOLOGY

In any scheme of study there should be a close integration of theory with practice. We have a curiosity to know intellectual level, interest, aptitudes, personality, adjustment etc of individuals. We can know such things about them through relevant psychological tests. The college has a separate psychology laboratory which has sufficient psychological apparatus, tests, transparencies and CD's which are related to various aspects of human development and teaching learning process for conducting psychology experiments included in B.Ed. Syllabus.

ICT & ET LABORATORY

Well equipped with all modern equipments in the Science Lab (Phy+ Chem+Bio) Math Lab, Social Science Lab , Psychology Lab ,Educational Lab , Music room , Art & craft room & Computer /ICT Lab with latest hardware & software facilities with internet access for the students to help them in practical work.

General Rules & Regulations

- As per new NCTE (Recognition Norms and Procedure) Regulations 2014 and State Govt. rules.

General Guidelines

-
- 1 A student admitted to S.T. College of Education must maintain an ethos of commitment to the professional programme in which he/she is enrolled. He/She is expected to aim at the highest in every sphere and to conduct himself/herself in a responsible and dignified manner wherever he/she may be.
 - 2
 - (i) According to the Maulana Mazharul Haque Arabic & Persian University & Bihar School Examination Board, Patna regulations the trainees must attend 80% of all theory classes. Hence S.T. College of Education expects them to attend all classes. The trainees must attend all demonstration and criticism classes during the course and Scheduled Practice Teaching classes during October–November Practice Teaching period. The trainee is expected to teach in any school assigned by the college authority.
 - (ii) A trainee must also attend all college functions and activities such as cultural functions, seminars, symposia, debates, quizzes, essay competitions, sports, picnic, community services, exposure programmes, retreat etc.
 - (iii) Prior permission is required from the Principal for any absence either from theory or practical classes or community life activities.
 - (iv) It goes without saying that no commitment should be undertaken during the regular timings of the college classes and activities.
 - (v) The student's name is liable to be dropped from the rolls, if he/she is absent continuously for more than 10 days without leave. A re-admission fee will be charged, if re-admission is granted at all.
 - (vi) All are expected to attend the last working day before and first opening day after the vacations and short breaks. Those absent without prior leave will be fined.
 - 3 The college has a well-maintained computerized library of over 6,000 Books, Journals, Encyclopedias and Periodicals. Every student is expected to make the best use of it making sure, however, to observe the library rules fully.
 - 4 Additional examinations from Cambridge University U.K for English Assessment will be offered. Though these are not compulsory, the trainees are encouraged to take advantage of the opportunity.
 - 5 There will be four semester examinations and six content tests. Trainees must sit for all of them. The average of all will be taken for the internal assessment.
